

CIACCI PICCOLOMINI d'ARAGONA

Colour: emerald green with golden tints.

Organoleptic characteristics: peppery flavour of aromatic herbs, such as rosemary, thyme and cardamom. Persistent, very intense, the taste exhibits fruitiness, bitterness and notes of artichokes with exceptional harmony and high complexity.

Service: store at room temperature, far from light and heat.

Food pairings: it is perfect to use in salad dressings, light sauté or any dish. Excellent for dressing.
